

WHAT IS COVERED

IMPORTANT INFORMATION

Black Horse Motor Warranty Cover One Vehicles up to 5 years old / 60,000 miles at time of sale

This document explains what components are covered and what components are not covered by your warranty. Please keep this in the back of your Black Horse Motor Warranty Handbook.

The Insurer's liability

The most the Insurer will pay for each individual claim is confirmed in the welcome letter accompanying this document. This will include VAT in total for each claim and the cost of vehicle recovery and/or vehicle hire charges. In the event of more than one claim arising during the warranty period, the Insurer will only pay up to the total value of the vehicle's purchase price in aggregate. The Insurer will not pay the VAT part of any claim if you are registered for VAT.

What is covered

Provided that the terms and conditions of this policy are fully complied with, all mechanical and electrical components on your vehicle and associated labour costs are covered against mechanical breakdown, with the exception of the items listed in the 'What is not covered' section overleaf.

Please refer to pages 6 and 7 of your Black Horse Motor Warranty Handbook for full policy conditions.

What is not covered?

Whilst you have a high level of warranty cover available, there are certain items which this warranty specifically does not cover and these are listed below:

- Any non-factory fitted component, such as an alarm, immobiliser, tracking device, LPG conversion, etc
- Body components such as strikers, hinges or any component which may require adjustment from time to time
- Body panels, paintwork and glass
- Interior trim including seats and seat belts
- Recharging of the air conditioning unit, (unless required as part of a valid repair)
- Renewal of brake components due to wear and tear
- Renewal of any clutch components due to wear, incorrect adjustment or misuse
- The clearing of fuel lines, filters, throttle body and pumps and damage caused by the use of incorrect or contaminated fuel
- Airbags, batteries, bulbs, exhaust systems, wiper blades, wheel balancing and alignment, wheels, tyres and water ingress (including damage to covered parts caused by water ingress)
- Wiring loom, terminals and electrical connections
- Oil leaks, which do not require the removal of the engine, gearbox and/or differential, filter elements and any damage caused by frost or lack of anti-freeze, impact or negligence
- Traffic management system, satellite navigation system, telephone, TV and associated equipment of all types
- Non-factory fitted radio cassette, CD player or any other in-car entertainment component
- Normal maintenance services, and the replacement of such items as, but not limited to, spark plugs and plug leads
- Any loss caused directly or indirectly by the claim or the event that caused the claim
- Burnt out, sticking or pitted valves
- Damage resulting from the failure of a timing belt which has not been replaced as per the manufacturer's recommendations

Please note that oil, oil filter, gaskets, antifreeze and brake fluid required due to the failure of a covered component are covered.
